**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We can't thrive under the feet of giants. Competition is sacred, especially in the realm of such an incomparably critical service as the internet. If this technology is to bring together the global human family, we cannot be trampled by corporate insecurities. Keep the internet competitive. When giants eat their fill, we starve.
